

KESGRAVE TOWN COUNCIL

Code of Conduct

In accordance with S.26 to 37 of the Localism Act 2011 in 2012 Council resolved to adopt the Suffolk Local Code of Conduct for the purposes of discharging its duty to promote and maintain high standards of conduct within its area.

Until otherwise amended or replaced by a decision of Council, the Suffolk Code of Conduct set out below shall hereafter apply to all elected members and any co-opted members entitled to vote on any Council decisions or its committees, sub committees or joint committees when acting in their capacity as a member of Council.

Preamble

The Suffolk Local Code of Conduct shall be interpreted in accordance with the following seven principles of public life identified by the Committee on Standards in Public Life chaired by Lord Nolan:

Selflessness - Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership - Holders of public office should promote and support these principles by leadership and example.
