**15. 2,000 New Houses at Adastral Park Development, Martlesham Heath (CEG Planning Application)** – The Committee noted that there were no new updates.

**16. Transport and Pedestrian Matters, including Air Quality**

- Civil Parking Restrictions - New Traffic Regulations Order (TRO) – The consultation details from Suffolk County Council were received, considered and discussed together with the formal response from Suffolk Constabulary and PCSO Sarbutts. Following the vote, it was agreed to fully support the response of Suffolk Constabulary, including; reference to the continuing problems with parents/ guardians parking on the cycle path opposite Kesgrave High School, where there are enforcement difficulties resulting from the red paint on the cycle path having all but disappeared in places, along with the white line dividing the cycle path from the footpath. As it stands, drivers can claim they do not know it is a cycle path because it is not clearly marked, and Suffolk Constabulary cannot issue fines where the markings are so questionable. Ideally this needs to be repainted fully to allow the Police and the future Civil Parking Enforcement officers, to enforce this area with fines where offences occur. The highlighted map was also received and noted. The Committee noted the TRO for Bell Lane opposite Heath Primary School's frontage which relates to a single yellow line with loading and unloading restrictions. Following the road works, the area on which the single yellow line was previously painted, has been replaced with a double yellow line, which contradicts the current TRO, so enforcement there is questionable too. The Committee noted that with regard to the new maps replacing the written TRO, the Police welcome this change and also make the observation that it is so much easier to understand the order.

**17. Chairman/Clerk Other/Urgent Communications** – The Chairman spoke about his concerns relating to the end of Dr Watsons Lane and no apparent progress in this area with regard to traffic coming from the Martlesham area and turning right into Dr Watsons Lane.

The Clerk advised the Meeting that this has recently been raised with the Community Engineer at Suffolk County Council who represents Kesgrave and where he has been asked to follow this matter up.
