

## Monthly Partnership Funded PCSO report for March 2020

---

Hello!

I am the new PCSO covering Kesgrave and Rushmere St. Andrew! I am currently in tutorship at the SNT in Ipswich East, however in a few weeks I will be fit for independent patrol and will be based out of the Woodbridge SNT.

Whilst in my tutorship, I have been able to gain first hand experience in carrying out a community speed watch, giving out parking tickets and completing first aid training, as well as taking daily patrols of the area. I am also currently in the process of arranging to gain experience with a local School Liaison Officer in order to learn more about how best to educate young people.

I am very much looking forward to becoming more involved community side of the role. Towards the end of my tutorship period, I plan on visiting many of the businesses and organisations throughout these two parishes to introduce myself and offer any support. This way I can better understand the concerns of the general public and therefore tailor my activities accordingly. In the meantime, if you have any particular issues that you would like me to be aware of or have any events that may benefit from my presence, please feel free to let me know!

### **POLICE ADVICE AND GUIDANCE**

I am always happy to give advice and guidance where I can. If it is something that I cannot give an immediate answer too, then I am obviously ideally placed to seek advice from other professionals. Members of the public wanting advice on many police-related matters can be signposted to the Suffolk Constabulary website advice page at <https://www.suffolk.police.uk/advice>
